Projects

Remox-main

A personal site about me that provides information about my skills, ways of communicating, etc. It is designed using different languages and libraries and hosted on github

Link : [Remox-main](#)

Remox-weather

The weather site uses a URL that includes things like weather by city name, weather by location, weather on a map, etc. and is hosted on GitHub.

Link : [Remox-weather](#)

Remox-store

The site sells all kinds of accessories with different pages and shopping carts, etc. The full response of the contact me page, which is actually my contact with myself and about me, is about myself and is located on GitHub

Link : [Remox-store](#)

Languages

- Persian ★★★★★ The official language of the country
- Azari (mother language)
- English ★★★★ Acceptable
